## Would you like your garden waste collected?

You would get an extra bin and we would collect it every two weeks  
(except between December and March)

It will cost £40 for the year and if you pay before the end of  
February, you get the bin for free

After that, there is a £20 one-off charge for the bin

To register your interest visit [www.uttlesford.gov.uk](http://www.uttlesford.gov.uk) and fill in the form

You can also find out more information about this and other proposed  
changes to the recycling and waste service

If you don't have access to the internet,  
you can call 01799 510510

If you have already registered, we will be in touch  
soon to confirm you want to go ahead and to  
take a payment
