A **new charity** is being established which will own the Community Centre and all the sports pitches, **freehold** in perpetuity. The Chairman of the Parish Council, the Vicar of St. Mary's Church and the Chair of Governors at our Primary School will be ex-officio trustees, along with some trustees appointed from the Management Committee.

A strong Management Committee, reporting to the trustees, is in place and is tasked with ensuring the centre is well managed and well used.

The Community Centre starts life on a sound financial footing but this will only continue to be the case if it is well used by the local community.

It's **YOUR** community centre. It's a wonderful facility for a village to have and we want it to be used and enjoyed by as many local people as possible. From community groups to wedding receptions, sports teams to children's parties, **Everyone is welcome!**
